

THE BARTER

BASIC RULES

- 20 teams of 2 each.
- 5 rounds
- 3 items to start with
- 10min per round. Timer red when 3mins left
- No limit on trade but min 3 is compulsory to prevent depreciation
- Admin panel gives u 4 options on completion of a chest ; add new item to your inventory, add value to your items, combine 2 items for 1 bigger item, or trade points for a purchase
- For chest, approach the admin panel via a message.
- Add 1 item in each round

Benefits of trade

- Items of lower value to earn higher rate of top up on exchange.
- Items of higher value render extra value to existing items.
- Trade meter : 7 times gives 12% , 10 gives 16% and 12 gives 18% , above 12 times gives 21%
- No. of trade gives u pts which can be used to buy new items from admin.
- 3 or more chests completion gives u option between pts, new items, value addition to products @ 10 pts
